

Tank_serbatoio = 4L

Pompa manuale optional
Manual pump optional

Centralina idraulica 2 funzioni standard Hydraulic power pack 2 functions (standard)

Dimensioni-ingombri massimi - Max dimension:

a = 60 Cm

b = 31 Cm

h = 30 Cm

Caratteristica motori- Engine Features:

Alimentazione - Power supply: 12 Vdc

Potenza - Power: 700 W

Rpm - Rpm 3300 giri - portata_flow: 1,5 L/min

S2 = 10min_S3 = 35%_ IP = 54

Pressioni massime di esercizio e assorbimenti amperometrici a motore
Max operating pressure and Amper absorption for each motor:

Presione - Pressure: **135 Bar** Assorbimento-Absorption: **80 Amp**

Usare olio Idraulico Viscosità 46 **Use only Hydraulic Oil Viscosity 46**

Scheda elettronica - Electronic power pack
