£174.95

Excl. Tax: £145.79

Product Images

Short Description

This compact door lock set is sold as a complete kit including 316-grade stainless steel [San Souci](#) handles, lock, handle roses and privacy pin (if specified). The simple privacy pin mechanism is neatly incorporated into the handle roses and has an easy to use push/pull action. The latch is supplied complete with a matching striker plate. The latch also has a universal door handing design and can simply be inverted for left or right handed doors.

When specifying the door lock set, please ensure that the correct door thickness is also selected as this has an impact on the final product.
