Short Description

Solid brass reading light with a chrome plated finish. The *Felis* wall light is an adjustable luminaire on an elegant chrome plated mounting plate. The plate also features a discrete on/off switch. The luminaire can be adjusted in terms of rotation, making it an excellent choice for bedside use. The product is low voltage and is suitable for marine and architectural application. For mains voltage use, an LED driver is required which can be supplied separately.

- 2W Power LED
- Neutral 4000K white
- 10-30Vdc
- Push button switch on head of fitting
- Available in 2700K and 3200K white on request

Description

The *Felis* fitting shares the same LED components as the *Volans 40* and therefore the photometric data for the *Volans 40* is shown below.

VOLANS 40 - 40P
