

# Portofino - Microfibre Fabric / Faux Suede

## Product Images

# Short Description

*Portofino* is a microfibre fabric with a very soft touch and elegant appearance. The material offers a similar feel to suede or other competitor products such as Alcantara. *Portofino* is a practical solution that is water repellent and stain resistant. It is compliant with "REACH" and "Oeko-Tek" standards.

On request, *Portofino* can be supplied with a 3mm or 5mm foam lamination, making the product ideal for upholstering panels. It can also be supplied in a fire retardent version with a different backing.

*Portofino* vinyl is sold and priced per metre with a minimum order quantity of 10 metres.
