Short Description

Stainless Steel Over Platform Folding Ladder

Over-platform folding boat ladder crafted from mirror-polished AISI 316L stainless steel with a Ø25 tube, designed for boats and RIBs. It comes with a variety of fastening clamp models, allowing you to choose the best option for your specific application. Our folding swim ladders feature Iroko wood steps, supported by ribbed stainless steel that is fully welded. They also include reinforced stainless steel joints and a ladder-blocking system to secure the ladder during navigation.

Available in 3-step and 4-step versions.

Description

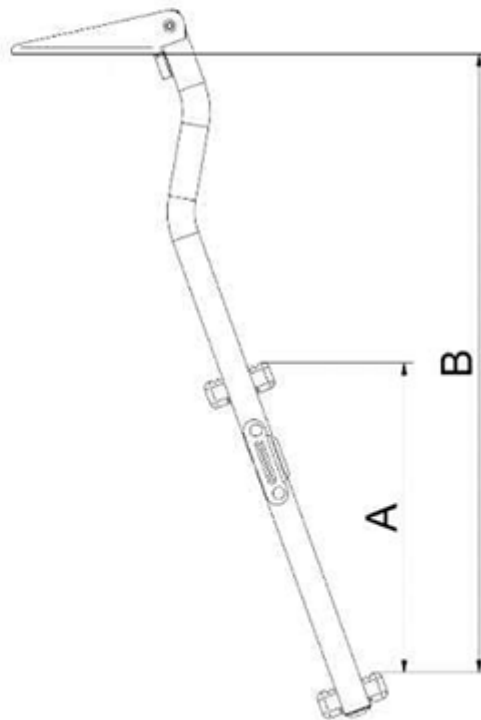

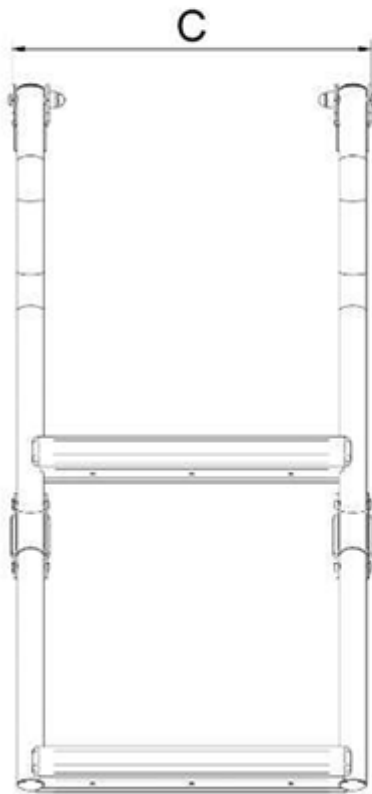

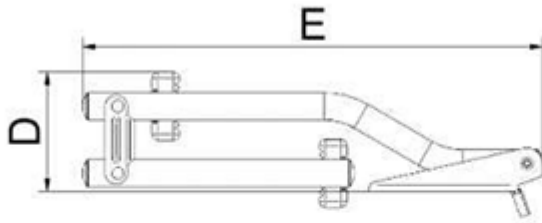

Nautinox Srl: Premium Stainless Steel Ladders

Nautinox Srl is a renowned leader in marine accessories, specialising in the design and manufacturing of high-quality stainless steel bathing ladders.

With a commitment to precision and durability, their range of ladders combines functionality with elegant craftsmanship, making them an essential addition to any vessel. Built to withstand the harshest marine environments, Nautinox ladders ensure safe and easy access to the water, embodying the perfect blend of style and performance.
