

# Nauta Q Rim Lockset

**£137.95**

Excl. Tax: £114.96

## Product Images

## Short Description

---

A rim latch lockset consisting of our [406100C](#) rim latch, [850062](#) handles and [406800C](#) striker. This lockset is enabled with a pin activated handle lock mechanism, making it ideal for use where a simple privacy function is required. The latch is a chrome-plated brass finish and has a universal door handing design.

This lockset is supplied with 316-grade stainless steel handles, designed to withstand the harshest of environments. These handles are compact at only 100mm length so are suited to applications where a bulky or heavy handle is best avoided.
