Short Description

The 2028 series is a swim platform with a frame made from mirror polished, 316-grade, stainless steel and features an iroko platform. The ladder has two steps and is available in two widths, the largest of which is available in a choice of iroko planking or iroko grating on the platform.

The 2028 has transom brackets that are adjustable to fit any stern and swivelling mounting clamps that are fixed with M8 through bolts (not supplied).

Please note the version with iroko planking is pictured.
