Short Description

Solid brass reading light with a chrome plated finish. The *Eris TL* wall light is an adjustable luminaire in terms of rotation and inclination, making it an excellent choice for bedside use. The product is low voltage and is suitable for marine and architectural application. For mains voltage use, an LED driver is required which can be supplied separately.

- Two finishes available, chrome with black or entirely black
- 3W Power LED
- Neutral 4000K white
- 10-30Vdc
- Available in 2700K and 3200K white on request
