Short Description

'OSKA6' is a director's chair designed with a sturdy aluminum frame and armrests crafted from Synteak®, a synthetic resin that captures the colour and texture of natural teak while providing protection against the fading effects of UV rays.

- Three matt aluminium colours to choose from, mocha, white and grey, with matching canvas
- Version with cushions available, in a choice of two Sunbrella Natté fabrics, grey and white
- Additional fabrics and colours available on request
- Protective cover sold separately
- Part of the 'Oskar' range, matching furniture such as tables and bar stools also available.

Please note that this range does carry a lead time of approx. 6 weeks from order.
