Short Description

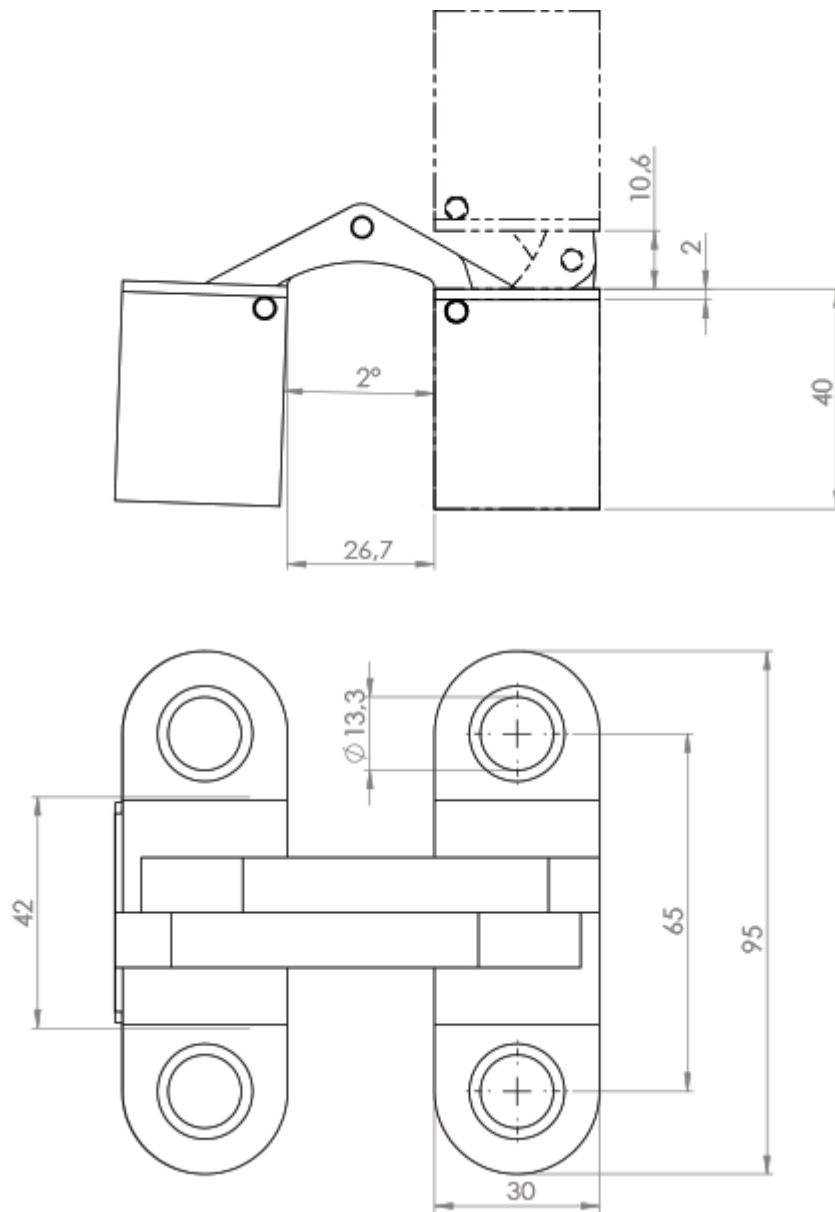

A premium compact, concealed hinge made from 316-grade stainless steel with a mirror polished finish. This type of hinge is ideal for doors, tables or other applications requiring a 180° opening and the most corrosion resistant materials. The finish of the hinges is second-to-none, the perfect choice for projects without compromise.

Three sizes of hinge are available with varying leaf thicknesses: 14mm, 20mm and 30mm.

Available In Three Sizes
