

1/2" BSP Filter For Marco Pumps

£16.97

Excl. Tax: £14.14

Product Images

Short Description

This filter has 1/2" BSP female connections. The filter also includes a 3287 NBR O-ring.

The filter kit is designed for use with Marco fresh water pumps that have a 1/2" BSP connection but it can equally be used with other pumps or similar applications where water needs to be filtered through a mesh, removing larger particles of debris.
