## Product Images

## Short Description

---

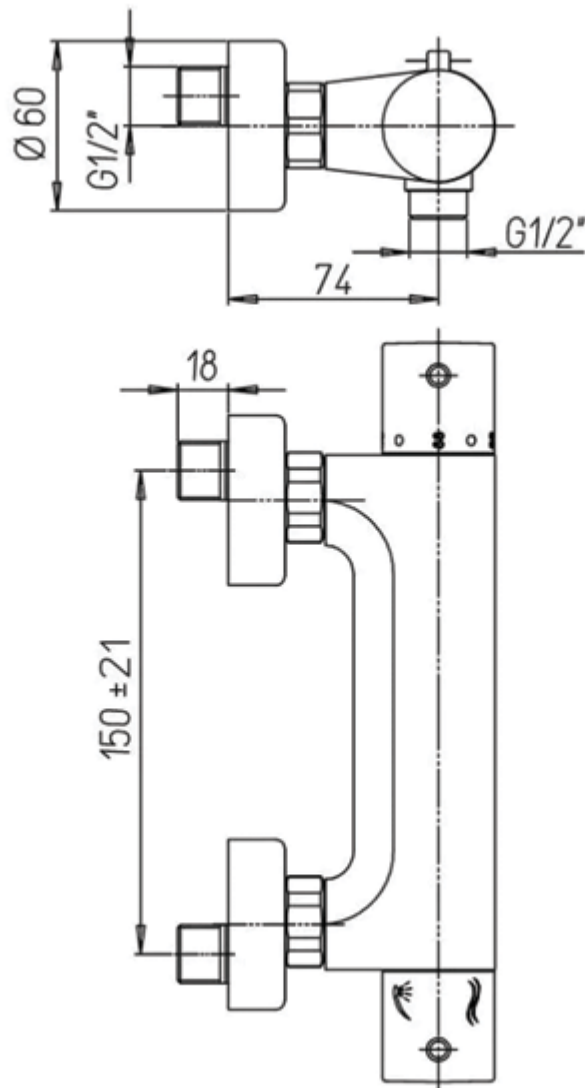

The Cox thermostatic shower mixer is a surface mounted solution meaning that only the holes for water connection are required. The mixer is a thermostatic type, offering a safe and user friendly showering experience. It is a 1-way mixer and is design for a single water outlet. The Cox mixer forms part of the Cox family of products, delivering a beautifully made product with simple, elegant styling at an affordable price.

The mixer is made form solid brass and is supplied in a chrome plated finish.
