Short Description

An iconic steering wheel design by Versari & Delmonte.

The *Cobra* aluminium steering wheel is a boating design icon. This wheel has been featured on some of the most famous production boats since the 1990's and the design continues to remain fresh and striking. Made from billet aluminium, the wheel is lightweight and strong. It can be customised by being painted in any RAL

colour, and can also be etched with logos or other features.

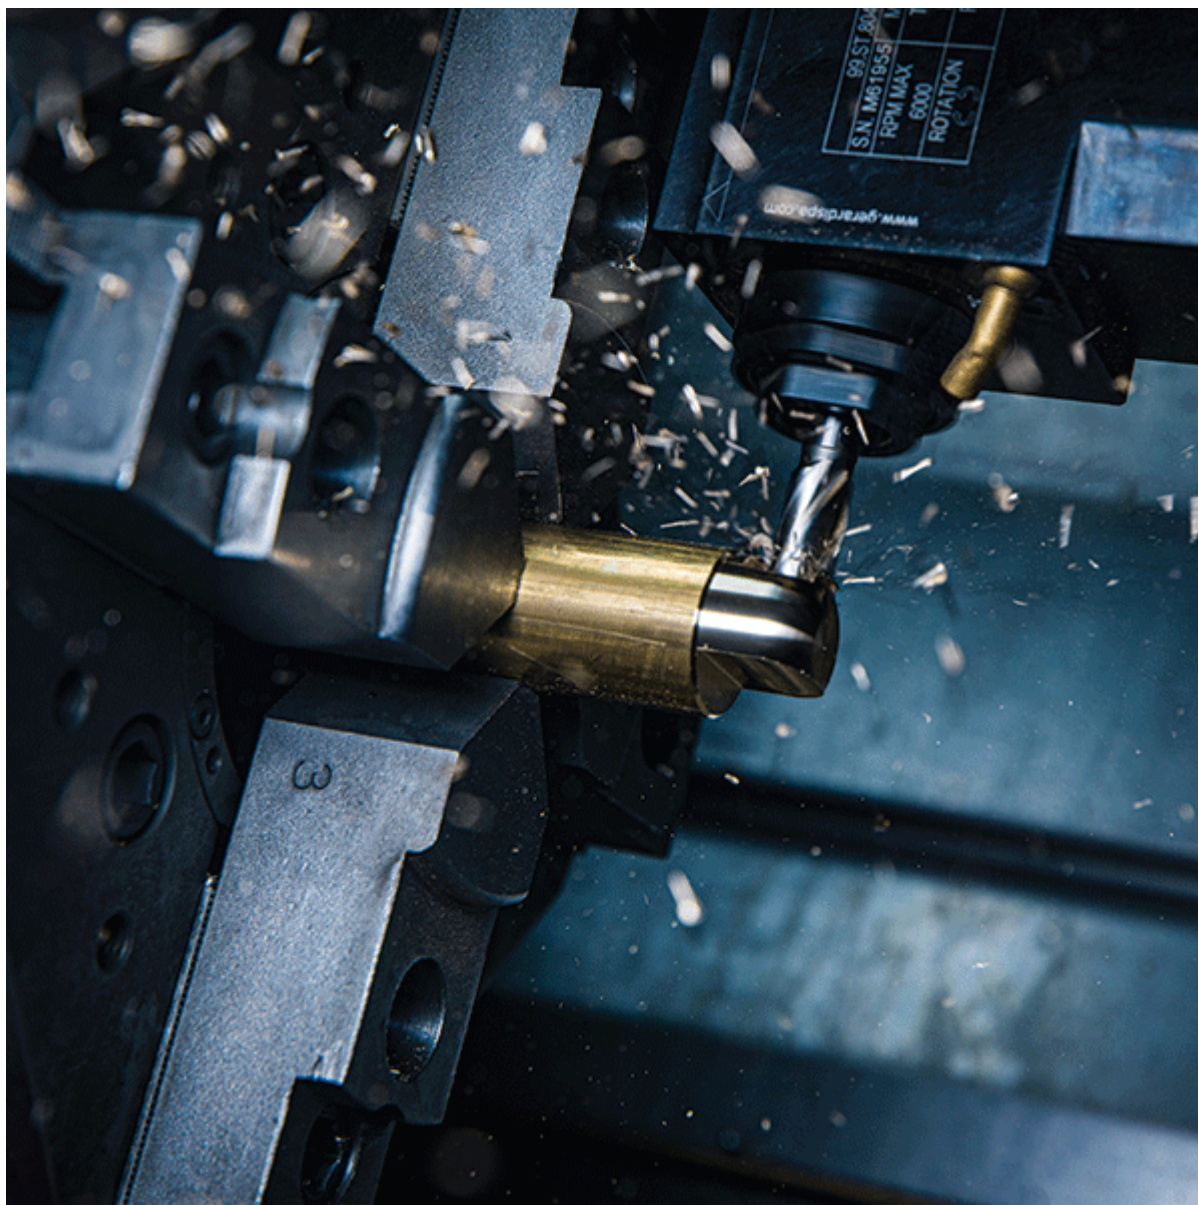

This wheel is made to order, so please allow 10 weeks from date of order for the delivery of this item. After purchase, you will be contacted to discuss the colour and hub details required for your application.

Description

In 2022, Foresti & Suardi acquired the iconic Versari & Delmonte Brand and created the Versari Collection of machined yacht hardware.

All Versari & Delmonte products are machined from solid. Using the latest CNC machining techniques, products are shaped from billet material, offering the ultimate in terms of strength, durability and finish. Working with both aluminium and 316-grade stainless steel, the items are suited to a wide range of applications.
