

IS14 In-Line Filter Kit For Marco Pumps

£30.98

Excl. Tax: £25.82

Product Images

Short Description

This filter kit contains an IS14 filter with 3/8" BSP female connections as well as a pair of 3/8" male to 14mm hose connectors and a 3/8" male to 3/8" male fitting. The fittings are made from 316-grade stainless steel. The filter also includes a 3287 FKM O-ring.

The filter kit is designed for use with Marco fresh water pumps that have a 3/8" BSP connection but it can equally be used with other pumps or similar applications where water needs to be filtered through a mesh, removing larger particles of debris.
