Short Description

Fizzy Bar Stool by Frag Srl

The 'Fizzy' Bar Stool by Frag Srl blends clean, modern lines with exquisite craftsmanship to create a truly sophisticated piece. Its standout feature is the luxurious hand-stitched blanket detailing, which elevates the design, transforming the stool into a refined and elegant addition to any space.

The Fizzy stool is both functional and stylish, featuring a pneumatic height-adjustable mechanism, allowing you to easily adjust the seat to your preferred height. The padded seat is upholstered in either premium leather or fabric, offering a choice of finishes to suit your décor.

The sturdy adjustable metal frame is finished in a sleek polished chrome, adding a touch of modernity, while the backrest is available in two variations: a matching metal backrest with the same finish as the frame, or an elegant hand-stitched leather backrest in the leather-upholstered version, providing an added layer of comfort and refinement.

With its seamless blend of design, comfort, and craftsmanship, the Fizzy Bar Stool is the perfect combination of function and style, ideal for contemporary kitchens, home bars, or stylish dining areas.
