Short Description

Solid brass boat hook head, available in a brass or a chrome plated finish.

This double boat hook head is crafted from solid brass for durability and strength. Available in both a brass

or chrome-plated finish, it offers a stylish and reliable solution for your boating needs. With a length of 255mm and an internal diameter of 38mm, it is designed for ease of use and compatibility with your boat hook pole.

Manufactured in Italy by Foresti & Suardi, a trusted name in marine hardware, ensuring high-quality craftsmanship and long-lasting performance.
