Short Description

Stainless steel clock with carbon-look face

A premium Quartz Clock from Fischer's Racing range, blending contemporary styling with classic marine

instrumentation. Crafted in Germany with exceptional precision and a refined brushed-steel finish, it brings a modern nautical aesthetic to any cabin, helm station, or interior space.

- 110 mm diameter stainless-steel case with brushed finish
- Carbon-look dial for a modern, technical appearance
- Contemporary reinterpretation of a traditional marine clock
