Short Description

Calipso I spotlight is an elegant high power LED fitting. Its 5.5 watt Power LED module ensures that the fitting can provide a large amount of light whilst still maintaining a discreet and elegant appearance. The recessed LED source and deep bezel design means that glare is kept to an absolute minimum. The spotlight is waterproof with an IP65 rating and is available in a choice of colour temperatures.

- Interior & exterior spotlight with deep bezel design
- Excellent anti-glare properties with recessed LED source
- Galvanised brass construction with chrome plated finish
- Tempered glass lens
- Anodised aluminium heatsink
- Available in either 3200K or 4000K
