Short Description

The Calipso II spotlight is a double version of the Calipso I fitting. With twin 5.5 watt Power LED modules, the fitting can provide a large amount of light (681 Lumen) whilst still maintaining a discreet and elegant appearance. The recessed LED source and deep bezel design means that glare is kept to a minimum. The spotlight is waterproof with an IP65 rating and is available in a choice of colour temperatures.

- Interior & exterior double spotlight with deep bezel design

- Recessed LED source offers anti-glare output
- Galvanised brass construction with chrome plated finish
- Tempered glass lens
- Anodised aluminium heatsink
- Available in either 3200K or 4000K
