Short Description

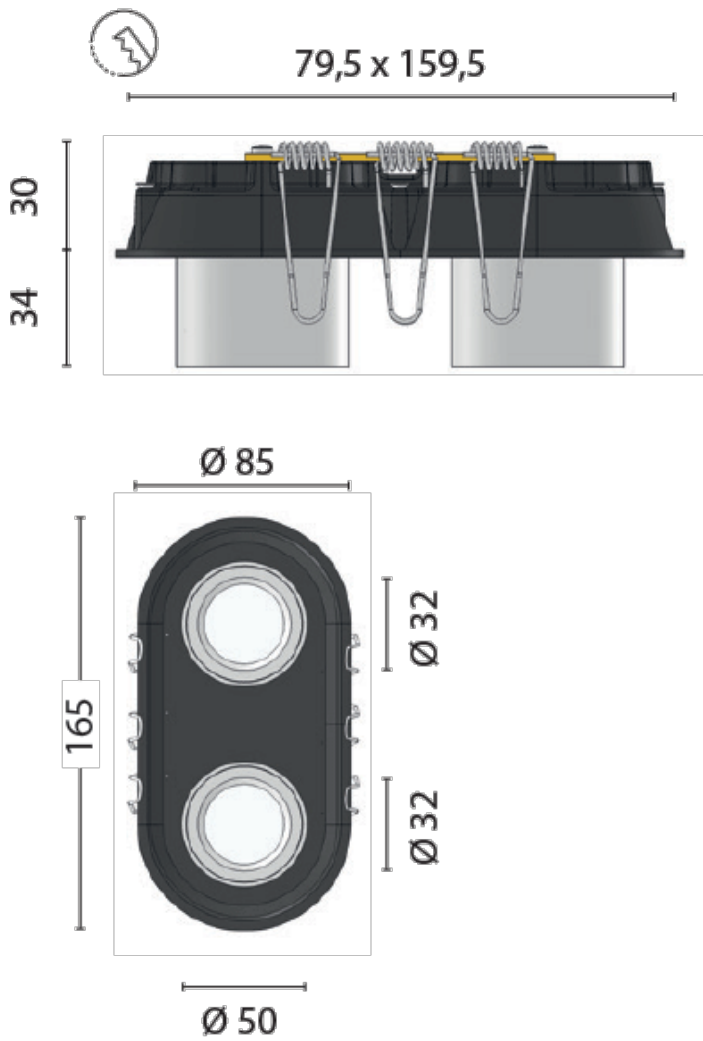

Calipso IIT spotlight is an elegant high power LED fitting. The spotlight features a twin tube design with double 3.6W Power LED modules. The recessed LED source and deep bezel design means that glare is kept to an absolute minimum. A similar product to the sister Calipso IT model, the Calipso IIT features an extended tube design which appears to float within its bezel. The spotlight is for interior application and is available in a choice of colour temperatures.

- Interior spotlight with twin floating tube design

- Excellent anti-glare properties with recessed LED source
- Galvanised brass construction with chrome plated finish
- Tempered glass lens
- Anodised aluminium heatsink
- Available in either 3200K or 4000K

Description

Power LED
