£21.55

Excl. Tax: £17.96

Product Images

Short Description

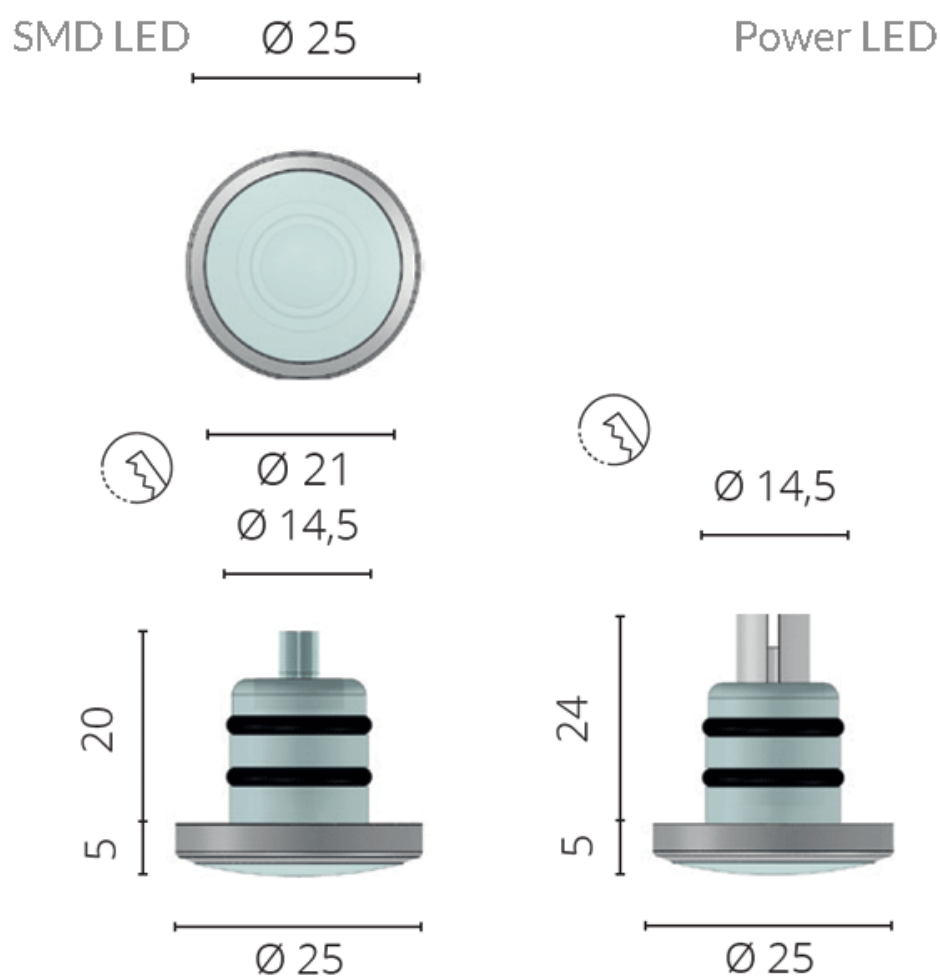

The *Pyxis* range of LED courtesy lights features a polymer LED light body which is then dressed with a number of different bezels. In the case of the *Pyxis Small T*, the light body is combined with a slim round bezel. This product offers excellent and harmonious integration into interior or exterior designs.

The *Pyxis* range of courtesy lights can be supplied with the optional installation cup. This cup can be bonded in place or set into GRP mouldings during the initial constructional phase. The light can then simply push into the cup when being installed. This system results in a highly servicable solution that can be easily upgraded

or changed in future.

- Opaline polymer courtesy light
- Available in 0.5W SMD LED and 1.5W Power LED versions
- For interior and exterior use
- Available in a number of LED colours
- Optional installation cup available
