Short Description

The Enif courtesy light makes use of the latest technologies in the automotive industry in terms of waterproofing and construction. As a result, the fitting does not contain any resin and therefore will not

suffer any long term discolouration or deterioration of the light output which so often is caused by resin breakdown. Enif is a reliable and powerful courtesy light which can be used in a variety of applications and features an eyelid design for minimal glare.

- LED courtesy light with a chrome plated cover
- Surface mounted
- 10-30Vdc multi-voltage
- Dimmable
- IP67 rated

Additional Information
