Short Description

A marine-grade waterproof courtesy light with a stainless steel bezel. The Sagittarius spotlight is a very slim design which enables it to be used in a wide variety of locations. This particular model has a shallow recess of just 6mm and incorporates an eyelid feature in order to shine light straight down at the floor and avoid any glare.

- LED spotlight with a white output of either 3200°K or 4000°K
- 10-30Vdc multivoltage input
- Shallow design with just 6mm recess depth required
- Screw fitting (screws not included)
- 316 grade stainless steel bezel with eyelid design
