Short Description

The Alhena Glass luminaire is the perfect decorative lighting piece for installations over tables, seating or other focal points. The product features an elegant glass end piece which helps to soften further the light output and provides a decorative refraction effect. The main body of the product is constructed from solid brass and is supplied as standard in a chrome plated finish.

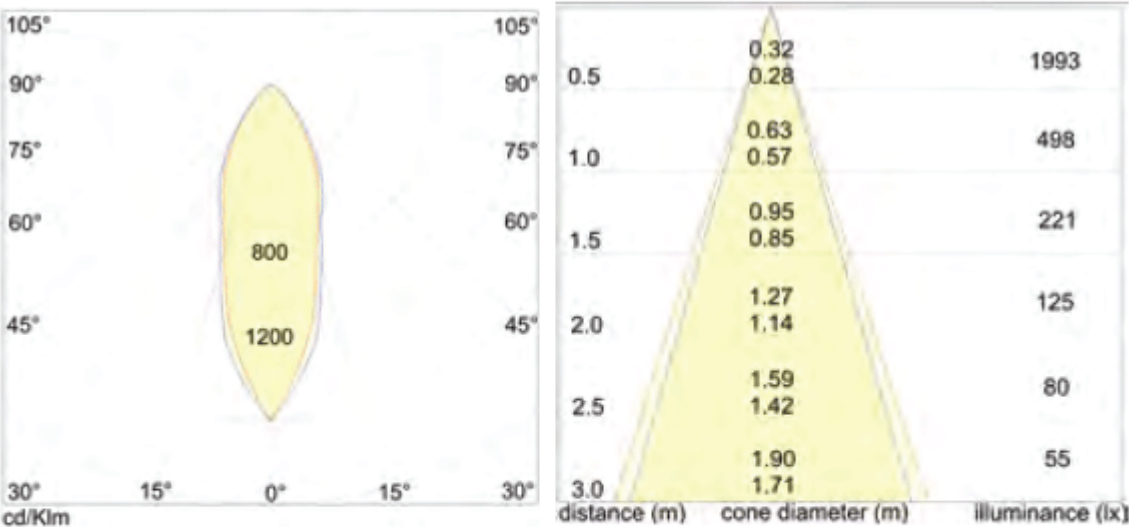

- Chrome plated brass fitting with toughend glass detail
- Power LED in 3200°K or 4000°K
- 10-30Vdc input
- Dimmable
