Short Description

The Alhena 70 Wall light is a wall washing downlighter and an excellent addition to any anti-glare lighting scheme. Constructed from marine-grade materials and equipped with a powerful 5 Watt LED module, the luminaire is highly efficient and built to last.

This wall light is constructed from brass and is supplied as standard in a chrome plated finish, other finishes are available on request but may be subject to a minimum order quantity. The luminaire is also available with an incorporated flexible reading light, ideal for beside application in a yacht or on dry land.

- Power LED in either 3200°K or 4000°K
- Wall washing lighting effect - anti-glare
- Marine-grade construction
- Dimmable
