Short Description

The Pollux feature light is a high quality compact fitting for interior or exterior use. The lens is made from toughened glass with a frosted finish and the bezel is 316 grade stainless steel. This particular model is designed to be recessed and features a slim bezel for a flush finish. The luminaire is perfect as a courtesy or feature light.

- Power LED 2 Watt in 3200°K or 4000°K
- 10-30Vdc input
- IP65 ingress protection
- Dimmable
