Short Description

Al Tarf is quite unique, being an exterior rated adjustable spotlight for installation on tubes from Ø25mm to Ø50mm. Thanks to the generous gasket, the luminaire can seamlessly mould to the curvature of the tube to which it is installed. The spotlight can be rotated through 360° and angled in order to direct light exactly where it needs to be. The luminaire is simply secured in place with two screws.

- 3.6 Watt Power LED module in 3200°K or 4000°K
- Versatile fitting can be installed on tubes of varying diameters from 25mm to 50mm
- Adjustable spotlight
- Marine-grade construction
