Short Description

Cassiopea 40Q Wall is an elegant and compact wall washing luminaire. With twin LED modules, one at either end of the fitting, the *Cassiopea* wall light illuminates the installation surface with its ultra high CRI LED output.

This wall fitting is available in a number of LED colour temperatures as well as red. The Nichia™ LED chip can be specified in 2700K, 3200K or 4000K.

Made entirely from marine-grade materials, the *Cassiopea 40Q Wall* luminaire is designed to continue to perform for many years, regardless of the environmental conditions. The fitting must, however, be kept protected from water and is designed for interior application only.

- 10-30Vdc input
- >90 CRI Nichia™ LED chip in 2700K, 3200K or 4000K as well as red
- Remote voltage regulator installed on power cable can be easily removed if directly powering with required current
- Dimmable
- Chrome plated finish

Description

Please note. Below photometric diagram represents the output of a single LED module.
