Short Description

A small adjustable LED spotlight with an IP65 ingress protection and marine-grade construction. The Mira spotlight is ideal for use in smaller spaces or as part of a wider lighting plan. The lens can be tilted in order to direct the light output where needed, offering a greater flexibility in terms of installation position.

- Power LED module in 3200°K or 4000°K
- 10-30Vdc input
- Adjustable lens angle in a single axis
- Dimmable
