

# Deco S LED Sphere

## Product Images

## Short Description

The Deco S LED fitting brings our latest LED technology to a more decorative piece of lighting design. The frosted sphere beautifully illuminates in a uniform way with no dark areas or shadows. As standard, the fitting has a 30mm diameter stem with an overall product height of 260mm. This however can be changed on request and produced to the desired length. The Deco S fitting features a 150mm diameter base.

- LED - 4.5 Watt in 3200K or 4000K
- Decorative frosted glass shade
- Brass construction, chrome plated (standard)
- Customisable product, made to order.
