

UP1/AC 220V 50 Hz Bilge Pump, Rubber Impeller 30 Litres/Minute

£401.72

Excl. Tax: £334.77

Product Images

Short Description

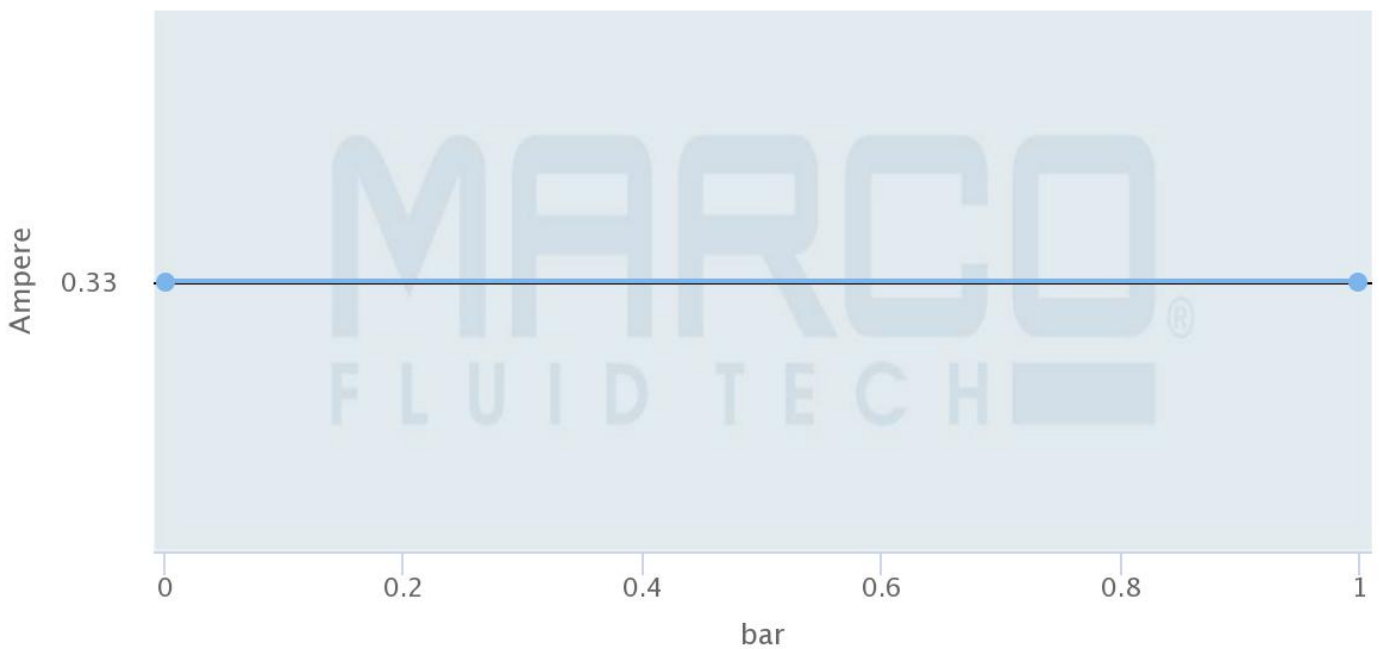

Self-priming electric pump for transfer of fresh or salt water with flexible impeller of nitrile NBR rubber which allows the problem-free transit of small particles (max Ø5mm). This pump is a mains voltage product and ideal for larger yachts where 220V is preferred for a bilge pump solution.

- Nickel-plated brass body
- Shaft in stainless steel
- Electric motor 0,55 kW
- Ideal for mains voltage bilge application
