

Iseo Teak Director's Chair

Product Images

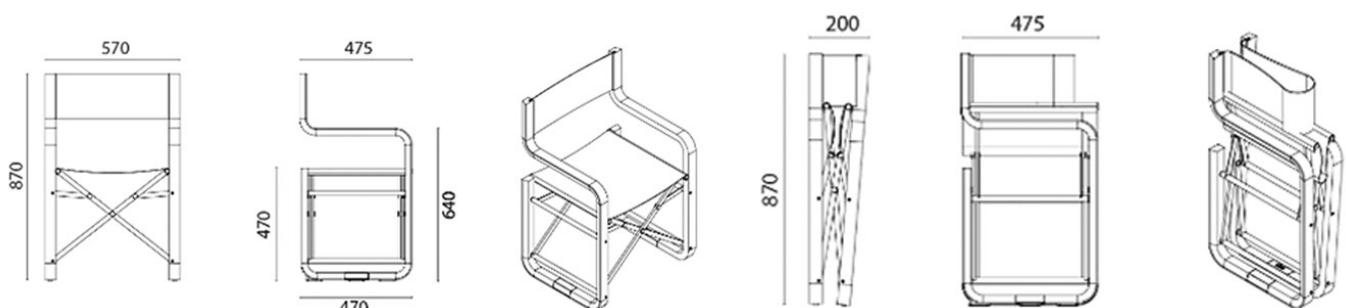

Montisola chair pictured

Short Description

Folding director's chair made from teak and 316 grade stainless steel.

- Multiple 1mm thick layers of teak pressed and bent together to form a unique and stable construction.
- Leather pads on the underside to prevent chair from scratching teak decking.
- Upholstered as standard in Maria Flora outdoor fabrics.
- Complete with storage bag
- Available in two finishes as standard. Other materials and colours available on request, a minimum order quantity may apply.
