Short Description

Stay for doors and hatches, available in a brass or chrome plated brass finish

This stay for doors and hatches is a practical and reliable solution for securing doors and hatches on your vessel. Made from sturdy brass, it is available in a polished brass or chrome-plated finish to suit your needs. The stay features a spring-loaded locking pin, ensuring the door or hatch stays securely in place when needed. With an overall travel of 220mm, it is ideal for various applications. Made in Italy by Razeto & Casareto, it offers dependable performance for everyday use.
