Short Description

Urano is an elegant floor washing courtesy light and provides a discrete, anti-glare low level lighting solution. With a carefully positioned downward facing LED module, the luminaire's output is focused towards the floor and provides an attractive 'arrow' of light. This particular version has a bezel-less design and can be almost invisibly incorporated into furniture, GRP mouldings or other surfaces. The fitting must be secured from the rear.

- Power LED in either 3200°K or 4000°K
- Attractive floor washing lighting effect
- Anti-glare lighting solution
- Bezel-less design allows the fitting to be seamlessly incorporated into a surface
- Dimmable
