

Ecopac ELED Triac Dimmable Driver 300-900mA 25W

£44.12

Excl. Tax: £36.77

Product Images

Short Description

Constant current mode output

Multiple levels selectable by dip switch from 300mA to 900mA (see specification sheet)

Protections: Short circuit/ Over load/ Over Current

Other features:

- Full protection housing ease installation
- IP20 design for indoor installation
- Cooling by free air convection
- Dimming function: Triac dimmable phase cut dimmable
- 3 years warranty

Additional Information

Weight (kg)	0.210000
Manufacturer	Ecopac
Wattage	Max. 25W
Input Voltage	180-240VAC
Output Voltage	Multi
DC Output Adjustment	+/- 5%
Output Current	300mA - 900mA
IP Rating	IP20
Operating Temperature Range (°C)	-40~+60°C (Refer to derating curve)
Dimmer	Yes
Dimming Type	Triac
Safety Standards	EN61347-1
