

Stainless Steel Fixing Bar For Bino 65/90, Qbe 90 & Bumper 100/125

£17.95

Excl. Tax: £14.96

Product Images

Short Description

This stainless steel pre-drilled bar is required for the correct installation of Bino 65 / 90, Qbe 90 and Bumper 100 / 125 PVC fender profiles.

The bar is made from 316-grade stainless steel and is used to fasten securely the base profile elements of Bino, Bumper & QBE to the installation surface. The top profiles of these models of rub rail hide this stainless steel bar from view.

The bar is sold per metre and is produced in 2 metre lengths.
