Short Description

The S224 is a 316-grade, stainless steel, pedestal. Its manually adjustable height and manual slide forward/aft feature ensure customisable comfort for users. Complementing its functionality is an aluminum footrest, complete with a rubber insert for enhanced grip and comfort.

The S224 is available with, or without, an aluminium footrest with rubber inserts and an unupholstered surround. On request this surround can be upholstered in a vinyl or leather to match your seat.
