

S495 Double Electric Seat Pedestal

Product Images

Short Description

The S495 is an electric, double helm seat, pedestal. It is a powder coated light alloy, available in black or white. The electric function allows you to raise/lower and slide forward/aft your pilot seat with ease. On request a manual footrest is available.

The S495 is an excellent option for those looking to purchase our [P232 Dragonfly](#) and [P221 Freestyle](#) bench seats.
