Short Description

A pressure die cast solid brass wall light in either a polished brass or chrome plated finish. This wall fitting carries an IP54 rating and is suitable for interior or exterior application.

The luminaire is sold with a frosted glass shade and can be specified with either an E27 (UK & EU) or E26 (US) lamp holder or an integrated 13 Watt Power LED module with a warm white 3000K output.

- Marine-grade luminaire constructed from solid brass
- Polished brass or chrome plated brass finish
- Frosted glass
- E27 / E26 lamp holder or integral LED module
- Interior or exterior application
