## Product Images

## Short Description

Cast 316 grade stainless steel end cap for use with Sphaera 50 fender profiles. This particular end cap design is for use with Sphaera 50 when fitted with the slim base or no base only. The end cap is fixed in place with a single screw. It is recommended to use a countersunk domed head 316 grade (A4) screw (not supplied).

This product is sold individually.
