Short Description

This handrail brings a contemporary and sporty look to any interior or exterior. Made from solid brass with a marine-grade chrome plated finish, the end pieces combine perfectly with a high gloss carbon fibre handrail tube.

This handrail kit features the [184A](#) end terminals which are secured in position with a hidden stud fixing. The carbon fibre tube can be cut down if necessary if a shorter handrail is required.

- Gloss carbon fibre handrail with UV protected lacquer
- Chrome plated brass end terminals
- Hidden fixings
