

Inflatable Boat Covers - Round Bow

Product Images

Short Description

This ready made boat cover is designed for use with inflatable boats with a round bow. These universal covers are the perfect high quality retro-fit item or indeed can be made to suit new production craft.

The covers are manufactured from Tessilmare's industry leading *Monospalmato* material which offers excellent waterproofing characteristics as well as a lightweight construction.

Please refer to the size table in the description below to view the standard sizes available. Purchase of this product can be made by contacting our sales department.
