Short Description

The Luna spotlight range contains some of our most advanced LED technology in an elegant adjustable spotlight. The Luna TG is the largest of the adjustable anti-glare family and features a powerful 5 watt LED module. The Nichia™ LED chip produces a very high quality LED output with an average colour rendering index of 95. The spotlight is waterproof from both the front and rear and is available in various lens angles and colour temperatures.

- Interior & exterior spotlight with chrome plated bezel
- Adjustable fitting - max. 16° tilt
- Excellent anti-glare properties with recessed LED source
- Galvanised brass face, chrome plated
- Custom finishes available on request

- Tempered glass lens
- Anodised aluminium heatsink
- Multiple lens angles available
- Available in numerous white colour temperatures as well as red
- CRI>90
